### REMINDERS:

If your show is selected we will notify you that your show was selected. It is then up to you to schedule a time when you can come to the radio station and record a demo CD.

This is imperative. If we don't have a copy of your class and/or work schedule then we can't schedule your show. We will not allow you to switch spots with someone because that time slot is more suitable for you. If we don't have a copy of your schedule then you will be assigned a slot that we feel is suitable.

Thank you. We look forward to reading your proposals.
